

Index

A

- absolute cell reference, 204, 411
- accepting suggested changes, in Docs app, 277–279
- access expiration dates, setting for files, 268
- activating filters, 211
- active cell
 - defined, 411
 - Sheets app, 170, 171
- activity controls, managing, 407–409
- ad hoc basis, sharing calendars on an, 291–292
- Add as Co-host icon, 315
- Add reaction icon, 325
- adding
 - calendars, 67–68
 - comments to files, 274–275
 - contacts
 - from Gmail, 75–76
 - from scratch, 74–75
 - data to slides, 239–240
 - emojis, 323–324
 - events in Calendar app, 54–57
 - footers, 153–154
 - footnotes, 164–165
 - form collaborators, 358
 - graphics, 137–142
 - headers, 152–153
 - importance markers in Gmail app, 389–390
 - links in Docs app, 105–106
 - multiple fields to pivot tables, 223–224
 - note collaborators, 364
 - page breaks, 158–159
 - people
 - to chat spaces, 331
 - directly to groups, 350–351
 - to group chats, 327
 - to video meetings, 306–308
 - profile pictures in Gmail app, 20–21
 - section breaks, 160–161
 - slide objects, 240
 - slides to presentations, 236–238
 - speaker notes, 240
 - time zones in Calendar app, 374–376
 - video meetings to chats, 328–329
- addition (+) operator, 202
- addressing messages, in Gmail app, 24–25
- Adjustments (Image Options pane), 142
- administrator password, changing for routers, 396
- admitting users, to video meetings, 310
- AI. *see* artificial intelligence (AI)
- aligning
 - cell data, 189–190
 - paragraphs, 122–123, 246–247
- all-day events
 - about, 54
 - defined, 411
 - scheduling in Calendar app, 60–62
- Alt Text (Image Options pane), 142
- anchor cell, 182
- animating slides, 248–252
- animation, 414
- applying
 - backgrounds in video meetings, 314
 - date format, 190–191
 - default styles in Docs app, 130–131
 - effects in video meetings, 314
 - numeric format, 190–191
 - presentation themes, 235–236
 - time format, 190–191
- apps
 - Google Workspace, 9–10
 - killer, 17
 - making calendars unavailable to other Google Workspace, 291
 - using online, 11–14
- Archive icon (Gmail app), 39, 40
- archiving messages, in Gmail app, 386
- arguments, 206
- arithmetic operators, 202

- artificial intelligence (AI)
 - composing messages in Gmail app using, 25–27
 - defined, 411
 - generating images with, 255–256
 - refining text in Docs app with, 107–110
 - writing text in Docs app with, 107–110
- Ask to Pair Your Tiles icon, 315
- asking to join groups, 342–344
- assigning tasks, 332
- asterisk (*), 134
- attach files icon, 28
- attachments
 - defined, 411
 - inserting in Gmail app, 28
 - managing in Gmail app, 34–35
- attendee schedules, coordinating, 285–286
- audio, using phone for in video meetings, 312–313
- auto-complete, 411
- availability, showing, 370–371

B

- back channel, 411
- background
 - applying in video meetings, 314
 - changing for slides, 242
- blind courtesy copy (Bcc), 23, 411
- blocking senders, in Gmail app, 405–406
- Bold command, 245
- Bold icon, 119, 190, 245
- bolding text, 323–324
- Border icon, 190
- bot, 411
- Bottom alignment, 191
- Bottom command, 247
- bulleted lists, 136–137

C

- Calendar app
 - about, 9, 11, 16, 49, 281
 - adding
 - calendars, 67–68
 - events, 54–57
 - time zones, 374–376

- changing
 - date, 53–54
 - view, 52
- collaborating with, 281–297
