

# Index

## A

### accessibility

- audio notification screen flash, 216–217
- color filters, 214–215
- Contrast themes, 212–213
- keyboard, 218–219
- Magnifier, 208–209
- Narrator, 210–211
- screen reader, 210–211
- Sticky keys, 219
- text size, 206–207
- Voice control, 220–221

### AI (artificial intelligence), 224. *See also* Copilot

- hallucinations, 225

### All apps, 5, 6–7

### app layout, 16–17

### apps

- arranging running, 16–17
- closing, 7
- features, 32–33
- installing, 12–13
- Microsoft Store, 12–13
- pinning to Start menu, 22–23
- pinning to taskbar, 34–35
- searching for, 7
- starting, 6–7
- switching between, 14–15
- uninstalling, 18–19

### audio notification screen flash, 216–217

## B

### backgrounds

- desktop, 37
- Lock screen, 26–27

### backups, syncing and, 31

### Bluetooth, locking computer automatically, 200–201

## C

### Calendar module (Outlook)

- adding events, 100–101
- event reminders, 103
- events by day, 99

- events by month, 98
- events by week, 98
- events with no time, 101
- navigating calendar, 99
- recurring events, 102
- today's events, 99

### Camera app, 136–137

- Media Player app and, 143

### cameras

- importing images, 120–121
- importing video, 140–141

### Celsius, Weather app, 117

### Character map, 170–171

### color

- desktop background, 37
- filters for accessibility, 214–215

### contacts

- creating, 94–95
- editing, 97
- email messages to, 95
- importing, 96–97
- photos, 97
- physical address, 95

### Contrast themes, 212–213

### Copilot

- chat, 224, 226–227
  - images in, 234–235
- copying generated text, 229
- hallucinations, 225
- image generation, 225, 232–233
- images in chats, 234–235
- launching, 226
- LLM (large language model), 224
- natural language, 224
- rewriting text, 230–231
- saved conversations, 227
- text generation, 225, 228–229
- voice chat, 236–237

### cropping images, 132–133

### CSV files, 97

## D

- dark mode, 37
- Date & Time, 39
- desktop, 4
- desktop background, 37
- desktop icon, 4
- devices, syncing between, 30–31
- directions, Maps app, 112–113
- display
  - extending, 40–41
  - monitors, multiple, 40–41
- documents
  - copying text, 164
  - creating, 158
  - deleting characters, 162
  - finding text, 166–167
  - moving text, 165
  - opening, 160–161
  - replacing text, 168–169
  - saving, 158
  - special symbols, 170–171
  - text selection, 163
- Documents folder, 159
- domain names
  - email addresses, 72
  - web pages, 46
- downloaded software
  - from web pages, 64–65
  - installing, 13
- Downloads folder, 13
- draft email messages, 78–79
- Dynamic lock, 201

## E

- email accounts
  - configuring additional, 70–71
  - deleting, 71
- email messages
  - copies, 73
  - deleting, 88–89
  - drafts, 78–79
  - file attachments, 76–77, 80, 85
    - opening, 86
    - saving, 87

- fonts, 74
- forwarding, 84–85
- lists in, 74
- multiple recipients, 73
- opening in new window, 72
- paragraph formatting, 74
- pictures in messages, 75
- priority, 75
- reading, 81
- receiving, 80
- Reply, 83
- Reply All, 83
- replying, 82–83
- restoring, 88–89
- saving in folder, 90–91
- security, 87
- sending, 72–73
- style, 75
- to contacts, 95

## F

- Facial recognition, 196–197
- Fahrenheit, Weather app, 117
- favorites
  - Photos app, 127
  - Weather app, 116–117
  - web pages, 56–57
- Favorites Bar (Microsoft Edge), 58–59
- file downloads, web pages, 64–65
- File Explorer
  - copying files, 178
  - creating files, 181
  - Cut command, 179
  - deleting files, 182
  - Downloads folder, 13
  - group selection, 175
  - moving files, 179
  - Paste command, 179
  - pasting files, 178
  - Pictures folder, 122–123
  - Preview pane, 177
  - renaming files, 180
  - restoring deleted files, 183
  - searches, 105

## File Explorer (*continued*)

- selecting all files, 175
- selecting multiple, 174
- selecting single, 174
- views, 176

## files

- attached to email messages, 76–77, 80, 85, 86, 87
- copying, 178
- creating, 181
- deleting, 182
- moving, 179
- Preview pane, 177
- renaming, 180
- restoring, 183
- selecting
  - all files, 175
  - groups, 175
  - multiple, 174
  - single, 174
- views, 176

## Films &TV, 148–149

## fingerprint sign-in, 194–195

## folders

- deleting, 91
- email messages, 90–91
- pinning to Start menu, 23
- renaming, 91
- searches, 105

## G–H

## GPS (Global Positioning System), 111

## hallucinations in AI, 225

## hibernate setting, 29

## History, web pages, 52–53
